Kisha,
I have to apologize that this turned into a hurry-up-and-wait exercise. I contacted one of the travelers (Chris Frissel) in the LA airport about to board a plane. He said he would not likely be able to get the form back today. The other (John Duffield) was off picking up his kids, so I don't think he will get the email or my call today.

So I guess there is no way to make the reservations before Monday.

Thanks for help me on this. Bristol Bay is keeping us all hopping.

In the upper right hand corner, have the traveler write their date of birth and email address.

The sooner we get this form completed, the faster I can get it to Jean, and we can get their TA started.

Thank you.
